

Search for books in HALUC

- choosing the library that you are a member in, or the most proximate library.
Search results concern books which **CERTAINLY** belong to the library of your choice.

□ **or**

- choosing **all** libraries.
Results are retrieved after search in the TOTAL of the bibliographic wealth of Hellenic Academic Libraries as well as, libraries of other associate institutes.

or/and

- typing the **root** of a word or name and the symbol *, e.g. histor* or/and Smith*
Search results are more in number, because they include all possible endings of a word or name.

□□□□□□ **Locate**

- in which library/libraries the material, that you are interested in, belongs to, looking at the information in the end of a [book-record](#) .

[Ask a question](#) concerning HEAL-Link Libraries.
